

P300

Direct-to-Card Printer

The Polaroid P300 is a reliable and easy to use desktop solution for on demand issuance of high quality PVC cards.

Designed for businesses, educational institutions, healthcare providers, government agencies and membership organisations, it delivers vibrant full colour cards with exceptional print quality and dependable performance.

With fast print speeds, intuitive operation and support for single sided or dual sided printing, the P300 simplifies everyday card issuance while helping organisations improve security and operational efficiency.

Affordable & Cost-Efficient

The Polaroid P300 card printer and consumables are competitively priced, making it a practical choice for organisations looking for high quality card printing within budget.

Enhanced Card Security

Supports smart card and magnetic stripe encoding, allowing you to produce secure ID cards for access control, staff identification, memberships, and other authorization purposes.

Fast & Efficient Performance

- Single-sided color: Up to 185 cards/hr
- Double-sided color: Up to 145 cards/hr
